

There when others cannot be!

Dear Clayton Consulting,

On behalf of all of us here at Autism Speaks, thank you for your donation of \$25.00. Your generosity is helping to create a kinder, more inclusive world, and contributing to our work to make 2020 a year filled with kindness for the autism community.

Please feel free to share your donation on social media to inspire your friends, family and co-workers to join you in supporting our mission - to promote solutions, across the spectrum and throughout the life span, for the needs of people with autism and their families. You can find us @autismspeaks on [Facebook](#), [Instagram](#) and [LinkedIn](#).

And remember, you may be able to double your impact! Many employers will match donations. Learn more and see if your gift qualifies [here](#).

We're so thankful for your support to help us enhance lives today and accelerate a spectrum of solutions for tomorrow. We couldn't do it without you.
