Outreach, Events, & Entertainment

**With the help of our community and their donations,
we can be there when others are not!**

- We are not a thrift store and will not charge for any life critical need
- Trusted by the public to make sure that their donations get where they are needed.
- Events for fundraising and causes to improve the lives of our community, see the back for schedule of upcoming events.
- The Donation Dens will be open on Saturdays when the weather allows. Check Colorado Cares on Facebook for hours and details.
- 2 Donation Dens filled with clothing, housewares, school, supplies and more to assist families and our neighbors when they need our help.
- Donations Dens offered thanks to assistance from Audrey E Burbridge -- Reiki Master / Intuitive Healer (720) 771-6017, and An Affordable Storage off site storage, (970) 356-7090.
- Contact us for Music, Athletic, Literature representation, and how to add one of our partners to your next event.
