18:09:17 From Zak Clayton : Good day to everyone. My name is Zak Clayton. I started Community Pay it Forward Fundraising to help people in emergency need. You can join us by setting up an introduction meeting with us at <https://www.communitypif.com/let-s-talk-community-pay-it-forward>.

All we ask is for a small referral fee that we will turn around into in the community.

Please visit the Website www.CommunityPayitForward.us and see our great partners who have joined us in our mission to help others, when no one else can!

Questions, Call us at (970) 909-0751 or email me at zak@communitypayitforward.us

18:09:30 From Zak Clayton : Would you like to sponsor a family for Thanksgiving and Christmas holidays? We are looking for people to help families through both holidays with holiday dinners and small gifts for at least the kids. Community Pay it Forward also asks you, if you can, add in cereal, milk, and additional dinner items to help the family out. We will have our link up and running on September 1st to sign up. We need your help, again!! But, with no fundraising events, this could be a very tough year for people in the community. You could create a great holiday for a family from in-between \$50 to \$75. But the value is so, so much more.

If you would like to be involved, let us know how involved you would like to be;

18:09:40 From Zak Clayton : Once again, we are looking for help gift packages for our deployed heroes, kids who are scared and have to spend time in the hospital and our families in Colorado who need help. Your \$13 will go a long way to help others in your community. Show your support, show your pride , show you are part of Community Cares.
