Life is hard and we know well how difficult it is to ask for help. The biggest problem is that the longer you go without asking, the more difficult it becomes to receive help. There is no perfect time for a difficult situation, but to not take care of them as they come will hurt you more in the long run.

Clayton Consulting & Event Planning llc. is not a loan company. We were started as a result of our founder being run from the road on his motorcycle. He runs this company with the assistance of local merchants who will aid the community simply for directing them to shop with them. The process is very simple. You direct your friends and family to shop with these great folks, take a picture of the receipt or invoice, and text it to us at (970) 909-0751. That's it. No mark up, no extra spending. They send us a text with your name in the message space and then attach a clear picture of the receipt and invoice to the text. Once a month, we will go around and collect the money from the CommunityPIF Fundraising Partners. We will then send you money to your account.

It is very important that you understand, you need to make sure that you get this program to your circle. While yes, certain people in the community may dedicate their receipt to you even though they do not know you, but honestly, that is unlikely. This is a six-month program. When you enroll with us, we will get you the information that you need. You have a couple choices. CCEP/ CommunityPIF take out 15% of every donation. That is 15 cents out of every dollar. We also need to charge a $50 set-up fee. If you cannot pay the setup fee, this is not an issue. We will deduct an extra 5% for a total of 20% from every donation. You can get the 5% back if you agree to assist us with 25 hours of volunteer time within your six-month campaign.

Please print and fill out this application then call us, (970) 909-0751, for a quicker response, send us an email to thecommunitypif@gmail.com and we will schedule a meeting. We can start helping you as soon as tomorrow if you fill out the application today. Don't let your situation put you in a unrecoverable position. Let us help you today.

Please explain how the money will be used. It is very important that you understand that we reserve the right to suspend any campaign where funds are being misused. This is an emergency fund, and before any monetary payment is made, a bill will be paid. This is important to show our and your dedication to running a clean and appropriate program.
